OUR ORGANISATION

The Kindervereinigung Dresden e.V. is a recognised non-governmental youth support organisation.

In addition to our own facility, our support organisation also runs five day-care centres, in-patient and out-patient support with child-raising and education, various counselling services, a children's & youth circus, various open offerings, social work at four schools, the 'Mentoring initiative' project and a recreational and educational centre in Naunhof.

COUNSELLING CENTRE FOR CHILDREN, YOUTHS & FAMILIES

- GORBITZ -

www.kindervereinigung-dresden.de

WE ASSIST ...

- Children and youths
- Young adults aged up to 21
- Parents and other guardians
- Families
- Parents during and after separation
- Solo parents
- Patchwork families
- Persons involved personally or professionally with children and youths (e.g. childcare workers, teachers, ...)

Children and youths can come to us without their parents' permission, and are welcome to bring a friend along.

Walk-in counselling sessions (no booking required) are available on Thursdays from 3 to 5 pm.

... WITH ISSUES LIKE ...

- My parents have their own worries - who will listen to me?
- School stress is overwhelming me - who can help me?
- I can't understand my own child - how can I help them?
- How do I handle my child's tantrums?
- How do we stop fighting?
- We're separating - what will happen to the children?
- How can we start communicating again as separated parents?
- How do I manage as a solo parent?
- Migration and experiences of being a refugee? How do we get by here as a family?
- How can we integrate the child's specific emotional needs in everyday life at the day-care centre and school?

... AND OFFER ...

- Individual and family counselling
- Group services for children and parents, e.g. Starke Eltern - Starke Kinder® (Strong parents - Strong kids® initiative)
- Diagnosis of behavioural abnormalities/performance problems
- Accompanied social interaction

OUR COUNSELLING ...

- Is free
- Is subject to professional secrecy
- Can be done anonymously if so desired
- Can involve assistance from an interpreter if necessary
